To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, we make it available on our homepage and our terms of service are at every point where personally identifiable information may be requested.

**The Information We Collect.** This notice applies to all information collected or submitted on the VetIntegration.com website. The types of personal information collected at these pages are:

- **Address**
- **Email Address & Preferences**

**The Way We Use Information.** We use the information you provide about yourself during membership registration only for its intended purpose—to complete your registration into your respective VetIntegration.com site. We do not share this information with outside parties except to the extent necessary to complete the membership registration.

We never use or share the personally identifiable information provided to us online in ways unrelated to what is described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

**Our Commitment to Data Security.** To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

Collecting children’s information is solely the responsibility of the website administrator for each respective VetIntegration.com site.

**How can you Access or Correct Your Information?** You, and each vet member of your VetIntegration.com site, can access and maintain all of your personally identifiable information that we collect online by using your secure login. During the registration process you, and each vet member of your site, will create your own login and password. This secure login gives you access to your personal profile, which is maintained by you. We use this procedure to better safeguard your information. You can correct factual errors in your personally identifiable information by updating that information yourself; each vet member has access to update their own vet information.
